Dear Mr. Evans:

I am pleased to inform you that the Alco Sensor FST has fully satisfied the requirements of the NHTSA Model Specifications for Evidential Breath Test Devices, as published in the Federal Register on September 17, 1993 (Vol. 58, No. 179, pages 48705-48710). I have enclosed a copy of the test results completed in our laboratories at the Volpe National Transportation Systems Center in Cambridge, Massachusetts.

Thank you for submitting your device for testing.

Sincerely,

James F. Frank, Ph.D.
